Welcome to the first issue of our newsletter

We are very excited to present our first newsletter to our community. Our goal is to keep you informed on “what Panel Builder Program is up to” and to offer you a small sample of what this community resource is for you. Whether you’re new to us or an old friend living in Russia, Poland, UK, Germany, Saudi Arabia, and beyond, our hope is to continue to help make our communities strong by bringing you helpful information, ideas and product updates. Throughout the year, we will send you stories and insights from our staff and community leaders as well as Panel Builder Program partners.

Do you have an idea or a success story to share? Maybe you’ve heard of an upcoming event that we should all support. Did you just find a solution you’d like to suggest to others? Send us your ideas so we can help support each other and grow together!

There are so many interesting experiences and opportunities to learn and our newsletter is just one way we can share that information. Another way PBP will be reaching out to you is through our website filled with helpful information and resources.

Panel Builder Program team is here to support you. So stay “tuned in and logged on...”. We are strengthening our Panel Builder Program Community and working for you.
